**An Afternoon of Music with
Michael W. Smith
in concert starting at 1:00 pm**

Our morning session will feature Bishop Timothy J. Clark as our keynote speaker and starting the morning will be Dave Kohout with Billy Hartwig and Chris Holm

David Kohout has dedicated over three decades to leadership training and personal development. For the past 19+ years, through his organization, Talk Is Cheap, Inc., he has expanded his mission to impact hundreds of thousands of students, educators, and academic leaders. Passionate about building strong youth, David's powerful message has reached respected institutions like West Point and the Coast Guard Academy. His ultimate goal is for every audience member to walk away inspired and equipped to pursue their full potential with confidence.

Billy Hartwig who serves at Greenford Christian Church where he leads student and young adult ministry. He loves helping people see how the story of Jesus meets real life: the struggles, the questions, and the hope we're all looking for. Billy and his wife are raising four kids, and when he's not teaching or writing, you'll usually find him chasing kids, planning the next ministry idea, or dreaming up ways to help the next generation follow Jesus.

Chris Holm is the teaching pastor at Upper Room Fellowship in Columbiana, Ohio. He is passionate about making Scripture accessible and applicable to ordinary life, with a particular focus on the kingdom of God, discipleship, and the availability of the Holy Spirit. He is the author of *Beyond Christian*, a book that challenges readers to trade in their religious identity for a transformative way of life. He and his wife Katie have two daughters and call Columbiana home.

Bishop Timothy J. Clarke is the Senior Pastor of the First Church of God in Columbus, Ohio. As one of God's premier orators, Bishop Clarke has traveled the world sharing the Good News of Jesus Christ. He is uniquely gifted to present complex and diverse biblical truths in a straightforward, down-to-earth manner. Bishop Clarke is the author of several books, including *Celebrating the Family*, *Making the Most of Your Time*, and *Living in the Blessed Place*.
